Accessing educational resources using a games console

Xbox

▲ Go to My games and apps.
▲ Find the web browser (Microsoft Edge) and select it.
▲ Search for Google Classroom and access it.
▲ You will be able to read documents and type in them / submit your work.
▲ If you have school access to other software such as Microsoft Teams you can also access it from the web browser, logging in as you usually do.
▲ Use the Xbox controller to scroll and to type using the virtual keyboard.
▲ Alternatively, plug a keyboard into the Xbox USB slot.

PlayStation

▲ Find the PlayStation internet browser icon (look for WWW).
▲ Press the PlayStation logo on the controller, then go to the library and find options for games and applications. The internet browser is in Applications.
▲ Search for Google Classroom. You will be able to read documents but not amend them.
▲ If you have school access to other software such as Microsoft Teams you can also access it from the web browser, logging in as you usually do.
▲ Use the controller to scroll or plug a keyboard into the USB slot.
